PARKING OPTIONS:

Best Option:

- **Town Parking Garage** at 7 Lebanon St in downtown Hanover (about 3 blocks from Carpenter Hall & Rauner Library)
 - This garage has a progressive rate structure.
 - To get from the garage to Carpenter Hall: Take Lebanon Street north to South Main Street which becomes North Main Street. Follow along The Green to Carpenter Hall.

Free Parking:

- **Dewey Lot (H2)** has free parking further along on College Street/Route 10/Lyme Road (the large grey area at the top of the map).
 - If you park in this lot, you must call Transportation Services at (603) 646-2204 to notify them of the vehicle make, license plate # and location. If you don't do this, you'll probably end up with a parking ticket.
 - Plan on a 10 minute walk from this lot to Carpenter Hall.

On-street Paid Parking:

- Carpenter Hall, Baker Library & Webster Hall / Rauner Library are in the bright green color on the campus map.
- There is on-street metered parking {75 cents/hr (quarters) with 2 hr max} on the main streets on both sides of Carpenter Hall/Baker Library and Webster Hall/Rauner Library on North Main Street and College Street.
- You'll have to feed the parking meter before our visit is done.
